## OBJECTIVE

I want to contribute in the success and growth of an organisation by utilizing my skillset and the strengths that I have. I believe in honesty and dedication in work. I want to learn and grow with each passing day. I'm also a sportsperson, I have represented my university team in cricket (MLSU) and Rajasthan cricket team in different age groups which has helped me gain quite a few soft skills such as leadership, discipline, motivational speaking and being a team man. I also have skills like content writing, effective communication, Strong command and fluency in speaking english, emotional intelligence etc. I'm sure I will bring a lot of spirit and motivation in the team.
