About

I'm good at Graphic design includes the entire process of defining requirements, visualizing, and creating graphics, including brochures, visiting cards, posters, logo design, sketches, illustrations, logos, layouts, and photos. I'll be the one to shape the visual aspects of websites, books, magazines, product packaging, exhibitions, and more..

Objective

As I believe in myself of being passionate and creative about designing, I am looking for good career growth opportunities where my talent and knowledge could be best subjected and utilized in order to deliver my best for the pride and passion for the organization and for personal growth.
