## Experience

### Freelance

#### Web Developer

Digital Studioku | Remote, Indonesia

September 2021– Currently

Mainly build and Landing pages with Laravel frameworks both front end and back end.. At there I did an e commerce app

## Experience

### In Working

#### IT Staff and Social Media and Admin

Rahvana | Banjarnegara, Indonesia

April 2021– September 2021

Mainly build and App Using React.js and Node.js frameworks as IT staff. At there I did an e commerce app

1. Rahvana App

And if my IT duties are finished, I just did My Other role, Either did Socmed and Admin task. Like

1. Posting daily their Tiktok, Instagram, Etc.
2. Administrative Task. Like inputing data. Something like that.

#### Web Developer

Komerce | Purbalingga, Indonesia

September 2021– Desember 2021

Mainly use Laravel framework and Vue JS to build a website

## While Laravel I did my work :

1. Landing Page English Version + Responsive
2. Web Optimize

adding some Features for optimalizing the web (sitemap+robo, charset +metaset,redesign+resize image, etc)

## While Vue JS did my work :

1. Landing Page Komship + Responsive
2. Redesign CS Landing Page

### Back End Developer

2021 – Agu 2021

This course is open the bootcamps that allow any students from any background especially me that have no background in IT. It takes 3 months online class to fulfill that you have to attend in order to graduate.
