Art, crafts, photography, anime, piano and guitar.

ABOUT ME

An enthusiastic and creative graphic designer with a heart for making art and bringing beauty out of dust. I love expressing emotion and ideas through art and design.

WORK EXPERIENCE

June 2022-
July 2022
4 Weeks

Graphic Design Training Program

Brainnest, Germany

- Learnt in more depth how to use shape & colour psychology to make better and informed design choices.
- Further sharpened compositional understanding and font choice selection by working on varied client prompts.
- Worked with a diverse team to build an end-to-end design proposal for a client in the last week.

June 2021-
March 2022
4 + 6 Months

Graphic Design Intern | Graphic Design Lead Intern

Labdox, India

Key Responsibilities:

- Assisted the Graphic Design Supervisor and collaborated with the content and marketing teams to build relevant SMC.
- Designed multiple graphics, including: brochures, carousels, certificate templates, mock-ups, logos and social media banners (for various platforms) using a mix of Illustrator, Photoshop and Canva.
- Furthermore, was responsible for creating short video clips using Powtoon and Premiere Pro.

June 2021-
Aug 2021
3 Months

Graphic Design Intern

Saaspect, India

Key Responsibilities:

- Responsible for building client-specific vectors from scratch using Illustrator.
- Designed Social Media posts as well as animations using Illustrator and After effects.
- Furthermore, learnt how to use isometric illustrations and designed them as per clients demands.

May 2021-
Aug 2021
4 Months

Video Editor Intern

Anti Corona Task Force, India

Key Responsibilities:

- Aided the creative director in ideating and building short video clips for social media.
- The process was the same with each video and was essentially to create vectors using illustrator and build the final animation with After Effects.
- In addition, was responsible for editing recorded videos using Premiere Pro.
