PROFESSIONAL SUMMARY

With over 3.2 years into Web Designing and product designer, I am actively involved in solving real time problems using distinctive software technologies. Currently I am working for CHETU INDIA PVT LTD as a UI/UX Designer. I am a quick learner and have an exploratory nature, always digging for new tech-learning's.

Further, in my 3.2 years of exploratory journey I experienced working on different types of designing tools. Initially, I started my career on designing web applications **using HTML5, CSS3 and BOOTSTRAP 4**. While designing web applications I have also explored **Adobe XD and Photoshop**.

I had worked upon to design a educational website where we have used **Adobe XD for designing mockup screens and Html, CSS and Wordpress as the front-end and back-end..**

SKILLS

- Adobe XD.
- HTML 5
- CSS 3
- Bootstrap 4
- Adobe Photoshop
- JavaScript and jQuery
